Dear Sir or Madam:

Re: Freedom of Information Act Request

Under the Freedom of Information Act, 5 U.S.C. § 552, I request a copy of the records described below pertaining to Aaron Alexis and the shootings that occurred in Building 197 at the Navy Yard in Washington, DC on September 16, 2013:

1. Aaron Alexis' Naval personnel file
2. Navy policies, practices, and procedures relating to the security of and access to Building 197
3. Surveillance video of Building 197 on September 16, 2013
4. Reports of any investigations relating to the shootings on September 16, 2013.
5. Any materials relied on or presented in briefings or other meetings with victims and family members of victims of the shootings on September 16, 2013, including but not limited to PowerPoint presentations

6. Any FOIA requests received relating to Aaron Alexis or the shootings on September 16, 2013
7. Any Navy records already released in response to FOIA requests concerning Aaron Alexis or the shootings on September 16, 2013

I seek these records as a Commercial Requester. If any expenses in excess of \$100.00 are incurred in connection with this request, please obtain my approval before any such charges are incurred.

I will expect a response within twenty working days as provided by law. If my request is denied in whole or in part, I expect a detailed justification for withholding the records. I also request any segregable portions that are not exempt to be disclosed.

Thank you for your prompt attention to this matter.
